DETAILED ACTION

Allowable Subject Matter

1. Claims 1-41 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest the invention claimed by applicant. In particular, the prior art fails to disclose or suggest a device and method for accessing a body fluid in an anatomical structure, wherein the device comprises an access tube and a fluid occluder that is in direct contact with the access tube and the body fluid and wherein the fluid occluder, in cooperation with the perimeter of the conduit, enables a sufficient amount of fluid occluder to remain in the conduit such that the body fluid does not extend the entire length of the conduit, and wherein the fluid occluder is not contained within another structure, along with the other steps and limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
